译：通过与我们的神经系统直接相连，计算机可以知道我们的感觉，并且希望可以模仿感觉，这样是为了我们能够开始发展全方位感知环境，就像电影《宇宙威龙》中的虚拟假期或《星际迷航》的全息甲板……

By linking directly to our nervous system,

多个介词短语

computers　could pick up　what we feel　and, hopefully, simulate　feeling too

主语　谓语动词　宾语从句　并列连词　谓语　宾语

(hopefully 为插入语；too 为副词，表示“也”)

so that we can start to develop full sensory environments,

目的状语从句

rather like the holidays in Total Recall or the Star Trek holodeck...

多个介词短语

句子的核心为：computers could pick up what we feel and simulate feeling so that we can start to develop... environments...

注意：为了保证意思完整，所以保留了宾语从句，正常情况下从句不算句子的核心。

3. The coming of age of the postwar baby boom and an entry of women into the male-dominated job market have limited the opportunities of teenagers who are already questioning the heavy personal sacrifices involved in climbing Japan's rigid social ladder to good schools and jobs. (2000, Reading Comprehension, Passage 4)

译：战后婴儿潮时期的到来以及女性进入男性主导的就业市场，这些都限制了青少年的发展机遇，而这些青少年已经开始质疑为进好学校、找好工作而攀登日本残酷的社会阶梯所付出的沉重的个人牺牲（是否值得）。

The coming of age of the postwar baby boom and an entry of women into the male-dominated job market

主语是两个名词词组并列，名词前的冠词和名词后的介词短语都是扩展成分（非核心）

have limited　the opportunities of teenagers

谓语动词　宾语　介词短语

who are already questioning the heavy personal sacrifices

定语从句，修饰前面的名词 teenagers

involved in climbing Japan's rigid social ladder to good schools and jobs.

非谓语动词词组（包含后面的介词短语），修饰前面的名词 personal sacrifices

句子的核心为：...coming and... entry have limited... opportunities of teenagers who are... questioning... sacrifices...

4. For example, British anthropologists Grafton Elliot Smith and W. J. Perry incorrectly suggested, on the basis of inadequate information, that farming, pottery making, and metallurgy all originated in ancient Egypt and diffused throughout the world. (2009, Reading Comprehension, Part B)

译：例如，英国人类学家格拉夫顿·埃利奥利·史密斯和 W. J·佩里在信息不足的基础上错误地指出，农耕、制陶、冶金都起源于古埃及，然后传播至全世界。

For example,

介词短语

British anthropologists Grafton Elliot Smith and W. J. Perry

主语　　同位语

incorrectly suggested, on the basis of inadequate information,

副词修饰谓语动词　　介词短语作插入语

that farming, pottery making, and metallurgy

宾语从句的主语是三个并列的名词

all originated in ancient Egypt and diffused throughout the world.

宾语从句的谓语动词是两个并列的动词（in 和 throughout 两个介词短语表示补充说明）

句子的核心为：anthropologists... suggested... that farming, pottery making, and metallurgy originated... and diffused...

5. As the interaction between organism and environment has come to be understood, however, effects once assigned to states of mind, feelings, and traits are beginning to be traced to accessible conditions, and a technology of behavior may therefore become available. (2002, Reading Comprehension, Part B)

译：然而，随着有机体和环境之间的相互作用逐渐被了解，一度被认为是由（被归因于）心态、情感和性格特征产生的影响现在开始被追溯到了（人们）可以理解的环境上，行为的技术因此变得可能（实现）。

As the interaction between organism and environment has come to be understood,

时间状语从句

however, effects once assigned to states of mind, feelings, and traits

插入语　主语　　非谓语动词词组，修饰主语

are beginning to be traced to accessible conditions,

谓语动词　　非谓语动词词组，补充说明谓语

and a technology of behavior may therefore become available.

and 引出并列句（介词短语 of behavior 和副词 therefore 作修饰）

句子的核心为：As... interaction... has come to be understood, effects are beginning to be traced... and... technology may become available.

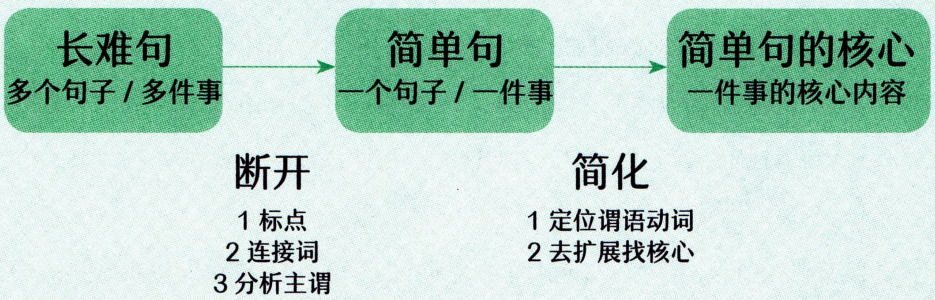
考场攻略

综合运用“断开 + 简化”两步来分析长难句是考研英语必考的内容，建议重点掌握。

攻略：“两步分析法”解决一切基本结构的长难句。

考研真题的长难句之所以“长”和“难”，最主要的原因就在于两点：一是多件事连接在一起；二是修饰限定和补充说明的非核心扩展成分太多。因此，解决长难句的关键就在于两步：断开 + 简化，如下图。



例： The same dramatic technological changes that have provided marketers with more (and more diverse) communications choices have also increased the risk that passionate consumers will voice their opinions in quicker, more visible, and much more damaging ways. (2011, Reading Comprehension, Part A Text 3)

译：同样重大的技术变革给营销商提供了更多的（以及更多样化的）沟通（渠道）选择，（但同时）也增加了风险——热情的消费者将能够用更快速、更直观、更有破坏性的方式来表达他们的意见。

分析前的准备：数谓语动词的数量

刚开始分析长难句会觉得没有把握，那么可以在分析之前先做准备工作，去数一下共有几个谓语动词，因为一件事中只能有一个谓语动词，那么几个谓语动词就意味着是几件事，自然就知道可以把长难句断开为几段。例如本句中，一共有三个谓语动词：have provided / have increased / will voice，则本句中包含了三件事，可以断开为三段。

步骤一：断开

The same dramatic technological changes that have provided marketers with more (and more diverse) communications choices have also increased the risk that passionate consumers will voice their opinions in quicker, more visible, and much more damaging ways.

更新微信公众号[研大]
联系微信1931637888

根据标点和连接词，可以先把长难句断开，从多件事断成一件一件事。其中，从句 1 开始于连接词 that，结束于第二个谓语动词 have increased 前；从句 2 开始于连接词 that，结束于句号。两个 that 从句都跟在名词后，有可能是定语从句或同位语从句，主要取决于 that 是否作成分（之前在定语从句那一部分中讲过）。从句 1 中 that 作成分（作主语），那么从句 1 就是定语从句，修饰限定前面的名词 changes 的范围；从句 2 中 that 不作成分，所以是同位语从句，解释说明前面的名词 risk 的具体内容是什么。拆解如下。

1) 主句：The same dramatic technological changes [that... 从句 1] have also increased the risk [that... 从句 2].

2) that 从句 1（定语从句）：that have provided marketers with more (and more diverse) communications choices

3) that 从句 2（同位语从句）：that passionate consumers will voice their opinions in quicker, more visible, and much more damaging ways

步骤二：简化

去扩展（例如限定词、形容词、副词和介词短语），找核心。其中，主句中的限定词 the、形容词 same dramatic technological 和副词 also 可以先去掉，两个从句中的形容词 passionate、代词 their 和介词短语“with more (and more diverse) communications choices”和“in quicker, more visible, and much more damaging ways”也可以先去掉，余下的自然就是句子的核心。

1) 主句：...changes [that... 从句 1] have... increased... risk [that... 从句 2].

2) that 从句 1（定语从句）：that have provided marketers...

3) that 从句 2（同位语从句）：that... consumers will voice... opinions...

首先，主句的核心为 changes have increased risk，表示“变革增加了风险”。两个 that 从句跟在后面，就算不仔细分析是什么从句，也可以知道它们一定是修饰补充 changes 和 risk 的，也就是表达“……变革增加了……风险”。

其次，把两个从句的核心内容加入主句中，“提供给营销商的变革增加了消费者表达意见的风险”。

最后，把所有句子的非核心的扩展内容都加入进来，完整地理解句意：“同样重大的技术变革给营销商提供了更多的（以及更多样化的）沟通选择，（但同时）也增加了风险——热情的消费者将能够用更快速、更直观、更有破坏性的方式来表达他们的意见。”

我独创的“断开 + 简化”两步分析法，可以把多件事转化为一件一件事、先看懂核心再去看扩展的细节，这样做最主要的目的就是帮助大家按部就班、有条不紊地搞定一切长难句。

第二章　特殊结构的长难句分析

基本结构的长难句就是把多件事（多个简单句）连接在一起，因此，对其结构的分析只需要通过“两步分析法”（断开 + 简化）就可以解决。而考研英语真题中的长难句常常会有更复杂的变化，例如：把原本连贯的句子从中间断开，插入其他成分；或者是句子里再套句子；又或者是多个句子或成分平行并列，这样就构成了特殊结构的长难句。

第一节　分裂结构

What is 分裂结构?

所谓“分裂结构”，就是在句子中间插入其他成分，或把句中某些成分从原本的位置上移走，这样就分裂了原本连贯的句子。对此类长难句的分析，只需要在原有的“两步分析法”（断开 + 简化）之前，多加一步——找到分裂结构并把句子还原成原本连贯的样子。

How to use 分裂结构?

（一）插入式的分裂结构

同位语或插入语（详见第一部分第二章第二节）插入句子中间，造成分裂结构，这是最常见的一种。除此之外，还有状语从句或非限定性定语从句插入句子中间造成的分裂结构。

这种插入式的分裂结构，通常会在插入的成分两端加上标点进行分隔，例如：成对的逗号或破折号；但极少数情况下也会没有标点隔开。

1. 同位语、插入语造成的分裂结构

同位语和插入语都是句子的补充成分，同位语是对前面名词的解释说明，而插入语是插入到句子中间的补充信息。在分析句子时，不需要纠结到底是插入语还是同位语，只要知道它是后插入的补充信息，造成了分裂结构，先去掉就可以了。等看懂了核心内容，再加回来看。

例： Bob Liodice, the chief executive of the Association of National Advertisers, says consumers will be worse off if the industry cannot collect information about their preferences. (2013, Reading Comprehension, Part A Text 2)

更新微信公众号[研大]
联系微信19316378888

译：（美国）国家广告商协会首席执行官鲍勃·利奥狄斯称，如果（广告）行业不能收集他们（消费者）的偏好信息，消费者的情况会更糟。

步骤一：找分裂

Bob Liodice, the chief executive of the Association of National Advertisers, says consumers will be worse off if the industry cannot collect information about their preferences.

此句中，很明显在主语后句子被截断，插入了其他成分，形成了分裂结构（主谓分离）。根据成对出现的逗号，可以很容易地判断出后插入的部分为 the chief executive of the Association of National Advertisers，这部分作同位语，解释说明前面的主语 Bob Liodice 这个人的身份。找到了造成分裂结构的插入部分后，先去掉，下一步就可以按照“两步分析法”正常地分析长难句了。

步骤二：断开

1) 主句：Bob Liodice... says
2) 宾语从句：consumers will be worse off
3) if条件状语从句：if the industry cannot collect information about their preferences.

此句中一共有三个谓语动词：says，will be 和 cannot collect，因此可以判断句子包含了三件事，从而将句子分成三段。根据连接词 if 可以断开后半句，但是前半句没有连接词，包含了两个谓语动词，因此要依靠分析主谓来断开。通过分析主谓会发现 Bob Liodice says consumers will be 是“主谓主谓”结构，因此第二对主谓为从句（在及物动词 says 后，作宾语从句）。

【补充】有时把长难句断开后，断成的多件事（多个简单句）比较简单，就不需要再进行“简化”这一步骤了，如上句。

例：These benefactors have succeeded in their chosen fields, they say, and they want to use their wealth to draw attention to those who have succeeded in science. (2014, Reading Comprehension, Part A Text 3)

译：他们表示，这些资助者在自己选定的领域已经取得了成功，且他们希望用自己的财富来吸引（人们）关注那些在科研领域取得成功的人。

步骤一：找分裂

These benefactors have succeeded in their chosen fields, they say, and they want to use their wealth to draw attention to those who have succeeded in science.

此句中，根据成对出现的逗号，可以很容易地判断出后插入的部分为 they say，这部分作插入语，造成分裂结构。分析句子时，先去掉插入部分，下一步就可以正常分析长难句了。

更新微信公众号[研大]
联系微信19316378888

步骤二：断开

1) 主句：These benefactors have succeeded in their chosen fields...
2) and并列句：and they want to use their wealth to draw attention to those
3) who定语从句（修饰those）：who have succeeded in science.

通过连接词 and 和 who 可以断开句子，and 引出并列句，who 引导定语从句修饰 those。

例：Two of the three objecting Justices—Samuel Alito and Clarence Thomas—agreed with this Constitutional logic but disagreed about which Arizona rules conflicted with the federal statute. (2013, Reading Comprehension, Part A Text 4)

译：三位投反对票的法官中的两位——塞缪尔·阿利托和克拉伦斯·托马斯——赞同这一宪法逻辑，但在亚利桑那州（移民）法案的哪些条款与联邦法规相冲突这一问题上存在分歧。

步骤一：找分裂

Two of the three objecting Justices—Samuel Alito and Clarence Thomas—agreed with this Constitutional logic but disagreed about which Arizona rules conflicted with the federal statute.

此句中，根据成对出现的破折号，可以轻易地判断出后插入的部分为 Samuel Alito and Clarence Thomas，这部分作同位语，解释说明前面的 Two of the three objecting Justices，造成了分裂结构。想分析长难句，就先去掉插入部分，下一步就可以正常分析长难句了。

步骤二：断开

1) 主句：Two of the three objecting Justices... agreed with this Constitutional logic but disagreed about
2) which宾语从句：which Arizona rules conflicted with the federal statute.

通过连接词 which 可以断开句子，which 引导宾语从句，位于介词 about 后。注意：but 引出并列句，但其后不完整，则不能断开，因为要跟前半句共享相同的主语。

例：Yet it is precisely these non-celebrity influentials who, according to the two-step-flow theory, are supposed to drive social epidemics by influencing their friends and colleagues directly. (2010, Reading Comprehension, Part A Text 3)

译：而根据两级流动理论，恰恰是这些不是名人但有影响力的人，通过直接影响他们的朋友和同事，从而推动了社会潮流的发展。

步骤一：找分裂

Yet it is precisely these non-celebrity influentials who, according to the two-step-flow theory, are supposed to drive social epidemics by influencing their friends and colleagues directly.

此句中，很容易发现连接词 who 刚要引出一个从句，就突然被截断了。再根据成对出现的

更新微信公众号[研大]
联系微信19316378888

逗号，可以轻易地判断出后插入的部分为 according to the two-step-flow theory，这部分作插入语，造成分裂结构。想分析长难句，就先去掉插入部分，下一步就可以正常分析长难句了。

步骤二：找到特殊句式

强调句：Yet it is precisely these non-celebrity influentials who... are supposed to drive social epidemics by influencing their friends and colleagues directly.

“It is... who...”是强调句，强调的部分为 precisely these non-celebrity influentials，表示强调“恰恰是这些不是名人但有影响力的人”，而不是别人。

2. 从句插入造成的分裂结构

非限定性定语从句和状语从句有时会插入到句子中间造成分裂结构，但由于这两种从句都是对句子的补充说明，所以不能直接去掉，但是可以先移到一边，把余下的句子还原为连贯的形式看懂，然后再来看造成分裂的从句的内容。

例： Pat Hardy, who sympathises with the views of the energy sector, is resisting proposed changes to science standards for pre-teen pupils. (2023, Reading Comprehension, Part A Text 1)

译：帕特·哈迪赞同能源部门的观点，她正在抵制（人们）针对青春期前学生的科学（教育）标准所提出的改变。

步骤一：找分裂

Pat Hardy, who sympathises with the views of the energy sector, is resisting proposed changes to science standards for pre-teen pupils.

根据成对的逗号，可以很容易地找到后插入的部分是 who sympathises with the views of the energy sector，非限定性定语从句作插入语，造成了句子的分裂。想分析长难句，可以先把插入的从句移走，还原为连贯的句子就能看懂。

步骤二：断开

1) 主句：Pat Hardy... is resisting proposed changes to science standards for pre-teen pupils.
2) 插入的who非限定性定语从句（补充说明Pat Hardy）：, who sympathises with the views of the energy sector,

例： Yet these creatures are members of the biotic community and, if its stability depends on its integrity, they are entitled to continuance. (2010, Reading Comprehension, Part C)

译：然而，这些生物都是生物群落中的成员，而且如果该群落的稳定性取决于其完整性，那么它们（群落里的生物）就有权生存下去。

更新微信公众号[研大]
联系微信19316378888

步骤一：找分裂

Yet these creatures are members of the biotic community and, if its stability depends on its integrity, they are entitled to continuance.

and 引导并列句，刚开始就被截断了，if 条件状语从句插入到句子中间，造成了分裂结构。想分析长难句，可以先把插入的 if 条件状语从句移走，还原为连贯的句子就能看懂。

步骤二：断开

1) 主句：Yet these creatures are members of the biotic community
2) and并列句：and... they are entitled to continuance.
3) 插入的if条件状语从句：, if its stability depends on its integrity,

and 连接前后并列的两件事，而 if 引出条件状语从句。

例：Branch points out that, even if a growing number of official guidelines and textbooks reflect scientific consensus on climate change, unofficial educational materials that convey more biased perspectives are being distributed to teachers. (2023, Reading Comprehension, Part A Text 1)

译：布兰奇指出，虽然越来越多的官方指南和教科书反映出（人们）对气候变化的科学共识，但传递更具倾向性观点的非官方教材正被分发到教师手中。

步骤一：找分裂

Branch points out that, even if a growing number of official guidelines and textbooks reflect scientific consensus on climate change, unofficial educational materials that convey more biased perspectives are being distributed to teachers.

根据成对的逗号，可以很容易地找到后插入的部分是 even if a growing number of official guidelines and textbooks reflect scientific consensus on climate change，让步状语从句作插入语，造成了句子的分裂。想分析长难句，可以先把插入的从句移走，还原为连贯的句子之后，下一步就可以正常分析长难句了。

步骤二：断开

1) 主句：Branch points out
2) that宾语从句：that... unofficial educational materials... are being distributed to teachers.
3) that定语从句（修饰名词materials）：that convey more biased perspectives
4) 插入的even if让步状语从句：, even if a growing number of official guidelines and textbooks reflect scientific consensus on climate change,
